

# LA BASTILLE

## WARRANTY

**All La Bastille products come with a limited one year warranty.**

La Bastille will repair or replace, at their option, any faulty product deemed to be the result of material or manufacturing defects. This does not include damage caused by faulty handling, installation, consequences of inappropriate use of surface, improper maintenance of surface or accidental damage or leaving the uninstalled product in an unconditioned space for an extended period of time.

La Bastille specializes in the use of living metals which naturally patina and respond to their environment. Defects do not include naturally occurring changes to the surface due to patina and/or use. Cleaning with bleach, ammonia or products containing bleach or ammonia are not recommended by La Bastille will void this warranty. Cutting the top for any purpose also voids the warranty. We cannot warranty a bar top that is stepped on, climbed over, or otherwise used in a manner which compromises the integrity of the product.

La Bastille is not responsible for any damages caused from improper use, non-use or improper installation of our lift assist hardware on flip gates.

The purchaser will have the obligation to inspect the product(s) immediately upon receipt to determine if damage has occurred during shipment. Damage resulting from shipping must be reported immediately in writing to La Bastille so we may report it to the carrier and determine best course of action.

Damaged components that will be replaced by La Bastille must be returned to our warehouse. Labor costs for other contractor's work and/or replacement of adjacent materials are not included in warranty coverage. This warranty is limited to the repair or replacement only of the defective parts that are returned to La Bastille that are determined by the company to be defective.

Products returned for repair or replacement must be given prior authorization by La Bastille management before client shipment.
